## Visas & Immigration

### 'BREXIT' – IMPLICATIONS FOR STUDENTS

If the UK leaves the EU and a withdrawal agreement has not been reached, there will be new immigration rules affecting students from the EEA and Switzerland from the date that the UK leaves the EU. As there is uncertainty as to when this will be, we advise EEA and Swiss students to refer to our Brexit advice pages, which will be updated on a regular basis, please see [www.aber.ac.uk/en/international/visa-immigration-compliance/brexit-advice/](http://www.aber.ac.uk/en/international/visa-immigration-compliance/brexit-advice/).

### FOR NON-EEA INTERNATIONAL STUDENTS ONLY

If you are a national of a European Economic Area state or Switzerland, this section does not apply to you.

- To study at Aberystwyth University you must hold a valid visa which entitles you to study at this University.
- If you are currently in the UK on a Tier 4 visa for another university or college then you must make an application for a new Tier 4 visa before you enrol at Aberystwyth University.
- If you are currently in your home country you must make an application for a Tier 4 or Short-term Study visa.

Information on how to apply for a visa can be found here: [www.aber.ac.uk/en/international/visa-immigration-compliance/visas-support-advice/](http://www.aber.ac.uk/en/international/visa-immigration-compliance/visas-support-advice/)

### “WHICH VISA SHOULD I APPLY FOR?”

There are two types of visa that will allow you to study at Aberystwyth University, they are: **Tier 4 (General)** visa or **Short-term Study** visa.

#### Tier 4 (General) visa

Most international students need to apply for a Tier 4 (General) student visa. A Tier 4 (General) visa will allow you to enrol on a below-degree level course such as an English Language course, an Undergraduate, or Postgraduate degree course. Provided that you can demonstrate academic progression, you will be able to extend your Tier 4 visa in the UK. You are allowed to work on a Tier 4 visa (limits apply).

If you are 16 or 17 years old you must apply for a Tier 4 visa for “adult students” and not a visa for a “child student”. Under the “adult” Tier 4 visa you will receive a visa for the full length of your course and also be allowed to extend your visa, (this may not be the case if you apply under the “child” route).

To apply for a Tier 4 visa, please go to:

[www.gov.uk/government/publications/guidance-on-application-for-uk-visa-as-tier-4-student](http://www.gov.uk/government/publications/guidance-on-application-for-uk-visa-as-tier-4-student)

### KEEP UP TO DATE WITH CHANGES TO THE IMMIGRATION RULES

Immigration law is subject to change. Please make sure that you have the most up-to-date information by checking the following website:

[www.gov.uk/tier-4-general-visa](http://www.gov.uk/tier-4-general-visa)

### “I AM CURRENTLY IN MY HOME COUNTRY. WHO CAN HELP ME APPLY FOR MY ABERYSTWYTH UNIVERSITY TIER 4 STUDENT VISA?”

Find out if there is an Educational Advisor or Agent in your country who will be able to help you apply for your student visa but please note there may be a charge for this service. You will need to complete an on-line application form and make an appointment to submit your supporting documents at your nearest Visa Application Centre. To find your nearest visa application centre, please consult [www.gov.uk/find-a-visa-application-centre](http://www.gov.uk/find-a-visa-application-centre)

### “WHEN CAN I APPLY FOR MY TIER 4 STUDENT VISA?”

You can apply for your Tier 4 student visa up to three months before the start date of your course. Applying for your visa is likely to take around two months, so you must start the process early. For information on visa processing times see:

[www.gov.uk/visa-processing-times](http://www.gov.uk/visa-processing-times)

**Please note** that your passport, visa and ‘original’ academic transcripts and qualifications will need to be checked before you register at the University. You will only be able to start studying at Aberystwyth University if you can prove that you hold or have applied for a valid visa that entitles you to study here.

## “WHAT DOCUMENTS DO I NEED TO APPLY FOR MY TIER 4 STUDENT VISA?”

## “HOW TO APPLY FOR A SHORT-TERM VISA”

If you are coming to study to Aberystwyth University for a maximum of 6 months (or 11 months for English Language course students) you may choose to come on a Short-term Study Visa, you will be much more restricted than if you come on a Tier 4 student visa. You will not be allowed to do any paid or voluntary work (even if it is part of a course) and you cannot extend your stay in the UK.

You should only apply for a Short-term Study visa, if you are certain that you will not need to extend your stay in the UK, you do not wish to work, and meet one of the following criteria:

1. You will be studying on an English language course that is a maximum of 11 months.
2. You are a Study Abroad student studying for less than 6 months (one semester) who will be returning home after their course finishes.
3. You are coming to the UK to resit an examination.
4. You are registered on a distance learning course and need to come to Aberystwyth University for an examination or to attend a short course of less than 6 months.
5. You are a PhD student coming to Aberystwyth University for your viva voce and to complete corrections for a maximum of 6 months.
6. You are a 'Non-Qualification' visiting student who is registered at an overseas higher education institution who is coming to Aberystwyth University for a maximum of 6 months.

To apply for a Short-term Study visa, please go to: [www.gov.uk/study-visit-visa](http://www.gov.uk/study-visit-visa)

Please contact the International Student Adviser on [immigrationadvice@aber.ac.uk](mailto:immigrationadvice@aber.ac.uk) if you are not sure which visa to apply for.

Information on Short-term Study Visas can be found on the UKCISA web pages: [www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Short-term-student-visa](http://www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Short-term-student-visa)

## “HOW LONG CAN I STAY IN THE UK ON A SHORT-TERM STUDY VISA?”

As an international student on a Short-term Study visa, you will need to ensure that you leave the UK within 30 days of the end of your course, or, before the expiry date of your Short-term Study visa - whichever is sooner. If you do not leave the UK within this time, it could affect future visa applications to the UK.

## NON-VISA NATIONALS

If you are a non-visa national and you are coming on a course of a maximum of 6 months, you can choose whether to apply for a visa in advance of travelling, or to wait until you arrive at the port of entry, i.e. airport, to the UK, and make your request to enter as a short-term student there.

If you do not obtain a visa before you travel, you will need to produce all the documents to support your application to enter the UK as a short-term student to the Border Force Officer when you arrive at the port of entry to the UK. This includes evidence of your unconditional offer to study in the UK and evidence of your finances. It is important you ask to be admitted as a short-term student (rather than as a visitor) - you will need to make a special effort to talk to the Border Force Officer to explain that. Make sure that they look at your short-term student visa letter (which confirms your unconditional offer and acceptance on the course), and ask that the stamp you get in your passport indicates you are a short-term student.

To check whether you are a non-visa national please contact the International Student Adviser on [immigrationadvice@aber.ac.uk](mailto:immigrationadvice@aber.ac.uk). A list of visa nationals can be found here (if your country of nationality is not on this list then it means that you are a 'non-visa national': [www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-v-visitor-rules](http://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-v-visitor-rules))

### Travelling into Dublin, Republic of Ireland

If you are a non-visa national and travelling to Aberystwyth via Dublin, you must apply for a Short-term Study visa before you leave your home country. This is because there is no border control in Dublin and you will therefore not be able to apply to enter the UK as a Short-term student at the port of entry, i.e. airport. Please note that you will not be able to register at Aberystwyth University unless you have the correct study visa.

You should apply for your visa as soon as you have all the required information and documentation. It can take longer than you think.

## Private accommodation in Aberystwyth

### “WHERE CAN I FIND PRIVATE ACCOMMODATION IN ABERYSTWYTH?”

There is plenty of accommodation in Aberystwyth that is let out by private landlords to students. Such accommodation consists of shared houses and flats. Occasionally you may find a room in a house that you would share with the landlord/lady. For further information please visit:

[www.aber.ac.uk/en/accommodation/private-sector](http://www.aber.ac.uk/en/accommodation/private-sector)

### HELP AND HOUSING ADVICE

Students may approach the Accommodation Office or the Students Union if they require any information, help or advice regarding private sector accommodation. Staff are able to look over private sector tenancy agreements on behalf of students and offer support or direction in situations where students may be experiencing difficulties in their private sector accommodation.

### “HOW MUCH DOES PRIVATE ACCOMMODATION COST IN ABERYSTWYTH?”

The cost of private accommodation will vary depending on the location, the size and quality of the flat or house and whether or not bills are included in the cost of rent. This is a very significant amount of money so make sure that you choose a property wisely.

Unlike University accommodation, where bills are included, you will find that when you rent private accommodation you may have to pay for additional things. These are likely to include:

- a deposit/bond (make sure your landlord clearly states what the deposit covers in the tenancy agreement. You must check if the deposit is refundable, if it covers any damage to the property and if it covers rent arrears or unpaid utility bills) - water, electricity, gas, telephone and internet bills - insurance - half-rent during vacations.

For further information on typical costs of living visit:

[www.aber.ac.uk/en/student-support/prospective-students/typical-costs/](http://www.aber.ac.uk/en/student-support/prospective-students/typical-costs/).

### “DO I NEED INSURANCE FOR MY PERSONAL POSSESSIONS?”

If you are going to be living in private accommodation you should take out an insurance policy to cover at least all your personal belongings in your room. When you move into private accommodation make sure that your personal possessions are insured.

Sometimes the insurance policy may cover accidental damage to the landlord's property which is also useful.

If you decide to live in University accommodation then a high level of personal contents insurance is included in the accommodation fees.

## What to bring

This section will give you an idea of what to pack when coming to study in the UK and the items you should leave behind. We also have useful information on our Accommodation Moving In webpage about what to bring and what to leave at home. For further information visit: [www.aber.ac.uk/en/accommodation/new-students/moving-in/](http://www.aber.ac.uk/en/accommodation/new-students/moving-in/).

### “WHAT TYPE OF CLOTHES SHOULD I BRING?”

Students dress very informally in the UK in jeans, t-shirts and jumpers. You will also want to bring a warm jumper, jacket and waterproof coat with you for the winter and wet weather. Rain showers are to be expected any time of the year, so waterproof clothing and shoes are essential.

In addition to casual clothes, you may want to bring formal clothes for special events such as a formal dinner or a ball, or perhaps if you may attend an interview for a potential job. You may also want to bring your national costume for international student events.

### “SHOULD I BRING MY OWN BEDDING?”

No, do not bring bedding. You can pre-order essential packs, which include items such as bedding, kitchen equipment and if you order using Uni Kit Out we will arrange for the pack to be put in your room ready for your arrival. Please note that this is subject to order dates. For further information please visit: [www.aber.ac.uk/en/accommodation/new-students/moving-in/uni-kit-out/](http://www.aber.ac.uk/en/accommodation/new-students/moving-in/uni-kit-out/). Alternatively, you can buy bedding cheaply from shops locally in Aberystwyth.

### “HOW MUCH MONEY SHOULD I BRING?”

Bring enough money to cover your costs for the first two weeks as you would if you were going on holiday. You will probably have to buy bedding, clothes and some basic essentials at the beginning of your stay, so we recommend you bring about £500.

Do not bring large amounts of cash, as cash can easily be lost and the University cannot guard it for you. Make sure that you will be able to use your bank card in the UK.

We advise you do not bring more than two suitcases and that you make sure that you can lift and carry these suitcases. At some point you will have to carry your luggage when you arrive in the UK. For example, you will have to carry your suitcase to your residence (which often includes carrying cases upstairs). Please do not bring rice cookers, food or cooking utensils with you.

## “CAN I BRING MY COMPUTER TO ABERYSTWYTH?”

Yes, you can bring your laptop with you to Aberystwyth University but you should check it can work with UK sockets (see below). It is also important to make sure that your laptop is insured for travel and your stay in Aberystwyth.

Our Information Services loan service allows staff and students to borrow items free of charge for a short period of time. Items include: laptops, netbooks, E-book readers, Flipcams and other digital photography and video equipment, as well as conference phones and the Qwizdom voting system often used in teaching. For further details see:

[www.aber.ac.uk/en/is/computers/loans](http://www.aber.ac.uk/en/is/computers/loans)

## “CAN I BRING ELECTRICAL PRODUCTS TO THE UK?”

Please only bring small items such as hairdryers, shavers and laptops. Before you bring an electrical item, you should make sure that it is safe to use and compatible with the UK voltage system: 220V. You might need an international voltage converter. You will also probably need a plug adapter that is British Standard compliant (BS1363). Usually, these converters and adapters are available in travel and luggage shops, electronic stores, and airports.

## APPLIANCE TESTING

All electrical items brought by students into University Accommodation must have an Electrical Safety Test and be labelled accordingly. If your electrical items are over 1 year old they will need to be PAT tested.

Any items which are not tested and are found in your residence may be removed and disposed of.

For further information please visit: [www.aber.ac.uk/en/accommodation/current-students/living-residences/pat/](http://www.aber.ac.uk/en/accommodation/current-students/living-residences/pat/)

## “SHOULD I BRING MY OWN COOKING UTENSILS?”

No, do not bring cooking utensils with you. Your case will be too heavy for you to carry! You can buy saucepans, plates and other cooking utensils very cheaply from shops in Aberystwyth. Information on moving into your accommodation can be found here:

[www.aber.ac.uk/en/accommodation/moving-in/](http://www.aber.ac.uk/en/accommodation/moving-in/)

## “CAN I BRING FOOD FROM HOME?”

Do not bring any food into the UK. There are many food items which are illegal to bring into the UK including all dairy, meat and potatoes. You will find that Aberystwyth has international food stores and large supermarkets where you will be able to find many ingredients available in your home country. For more information on banned foods see the website:

[www.gov.uk/bringing-food-animals-plants-into-uk/food](http://www.gov.uk/bringing-food-animals-plants-into-uk/food)

## SENDING AND STORING YOUR LUGGAGE

Unfortunately Aberystwyth University is unable to receive any of your luggage before your arrival at Aberystwyth. However, there are several companies that offer services to students who wish to transport excess luggage.

## “HOW CAN I CONTACT OTHER STUDENTS BEFORE I ARRIVE?”

Students at Aberystwyth have set up a Facebook page where all international and Erasmus students coming to study at Aberystwyth University can make friends, discuss travel plans and talk about Aberystwyth:

[www.facebook.com/AberErasmusSociety/](http://www.facebook.com/AberErasmusSociety/)

### “SHOULD I BRING MONEY FOR TRAVELLING?”

Please remember to bring some cash (Sterling) with you for your immediate expenses such as travel fares, and meals etc. Do not carry more cash than you need for your travelling expenses. Most cash machines will accept cards from banks with the Visa/Maestro logos but find out how much it will cost you to withdraw money in the UK.

Do not put cash in your main luggage that you will check-in at the airport; instead carry it on your person. Never leave luggage or any belongings unattended anywhere, even for short periods.

Students registering in the second semester will have the date and time of their registration confirmed before their arrival.

When you arrive at registration, staff from your academic department(s) will be there at the Departmental Registration Desks to help you to choose your modules. Once this has been done you will be asked to complete registration on-line via your Student Record from a computer within the University's intranet. In order to be able to register you MUST have activated your University e-mail account. For further information on registration please see:

[www.aber.ac.uk/en/new-students/freshers/registration/](http://www.aber.ac.uk/en/new-students/freshers/registration/)

**Please note:** If you do not complete registration you will not be able to access any University facilities.

### COURSE/MODULE INFORMATION

Course and module information varies between academic departments. If you are on an exchange here you will already have registered with an academic department and chosen your preferred modules before your arrival. However, there may be an opportunity for you to choose further modules or change your current choices on arrival. These modules must be of an appropriate standard for your Home University course and you must be suitably qualified to take the module. Certain combinations of courses may not be available because of timetable difficulties and there may be restrictions due to student numbers. Where possible, you are advised to give provisional thought to the courses you may wish to follow and academic advice will be available on your final choice once you have arrived in Aberystwyth.

### JANUARY STARTERS

If you are starting in January you will be sent information about the January induction. If you have any queries, you can e-mail [studyabroad@aber.ac.uk](mailto:studyabroad@aber.ac.uk) (Erasmus and International Exchange students) or email: [immigrationadvice@aber.ac.uk](mailto:immigrationadvice@aber.ac.uk) (International students)

### OPENING A BANK ACCOUNT

It is not possible to open a UK bank account until you arrive in Aberystwyth. However, it is likely to be one of the first things that you do because this is the safest way to keep your money. This will take you at least a week so you must make sure you have enough money for your first few weeks in Aberystwyth.

#### “HOW DO I OPEN A BANK ACCOUNT?”

When opening a bank account in the UK, you may be asked to provide proof that you are a student at Aberystwyth University. This will take the form of a letter. Included in this letter will be your home and term address taken from your student record along with your full name, which should be consistent with your passport. You will need to ensure that your details are correct on your Student Record, [studentrecord.aber.ac.uk](http://studentrecord.aber.ac.uk), before you request this letter.

Please present this letter, and a document confirming your identity (e.g. passport) to the bank of your choice in order to open an account. Some banks may also require a further confirmation of address in the form of an official document such as your tenancy agreement. The information you need to open a bank account will differ between banks. You may also be asked to provide evidence of a previous bank account and a statement (1 month old) from your existing bank in your home country. You should also take your Aberystwyth University student ID card.

## Staying Healthy

### REGISTERING WITH A GP

In the UK, non-emergencies are dealt with in a surgery by a doctor known as a General Practitioner (GP). You need to register with a doctor before you are treated, so you must do this within the first week of your arrival in the UK. GP appointments are short, only five or ten minutes, but your GP will refer you to a consultant - an expert - if you need extra or special treatment, such as an operation. You should receive more information on how to register with a GP when you arrive in Aberystwyth. If you have not received information please visit the following web page: [faqs.aber.ac.uk/index.php?id=1942](https://faqs.aber.ac.uk/index.php?id=1942)

### WHERE CAN I FIND A DENTIST?

If you are entitled to NHS treatment, you may still have to make a contribution towards the cost of your dental treatment. If you are not entitled to NHS treatment, or the dentist you choose does not take NHS patients (some dentists will only accept private patients), you will have to pay for the full cost of your treatment. You can choose which NHS dentist you want to be registered with (it does not need to be the dental practice closest to your residence), but you need to be registered with a dentist before you receive treatment from them. To find a list of NHS dentists near the University see: [www.wales.nhs.uk/sitesplus/862/directory/dentists/](https://www.wales.nhs.uk/sitesplus/862/directory/dentists/)

## “AM I ENTITLED TO FREE MEDICAL TREATMENT IN THE UK?”

### EEA nationals

EEA nationals are eligible to access free NHS services. You should however obtain a European Health Insurance Card (EHIC) from your home country before coming to the UK to show you are eligible for free health treatment. Visit the European Commission's website for more information on how to apply for an EHIC card at [ec.europa.eu/youreurope/citizens/education/university/health/index\\_en.htm](https://ec.europa.eu/youreurope/citizens/education/university/health/index_en.htm) .

WARNING - The EHIC card is free of charge, please take care to only use an official website to avoid the risk of using a website that will charge you a fee.

### Non-EEA nationals

Non-EEA nationals who are coming to study for six months or more will need to pay an Immigration Health Surcharge as part of their visa application process. If you paid the Immigration Health Surcharge for your current period of immigration permission then you will qualify for free NHS treatment on the same basis as anyone who is ordinarily resident in the UK.

Non-EEA nationals who are coming to study for less than six months and have not paid an Immigration Health Surcharge should take out private medical insurance for the duration of their visit to the UK.

Family members and friends of students who are not travelling to the UK on a dependant type visa will also need to take private medical insurance for the duration of their visit to the UK, as they may not be eligible for free NHS treatment.

International students can also seek medical advice for less serious conditions directly from a pharmacist. The 'Choose Well' campaign exists to help you decide the best source of medical advice and treatment, please see: [www.choosewellwales.org.uk/home](https://www.choosewellwales.org.uk/home).

For further information on the NHS services that are available free of charge, please go to: [www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Health-and-healthcare](https://www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Health-and-healthcare).

Access to health services will be affected when the UK leaves the EU. For up to date information on this please go to: [www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Health-and-healthcare](https://www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Health-and-healthcare)

## Communications

**Remember to let friends and family know you have arrived safely in Aberystwyth! This section gives advice on how to stay in contact with people at home.**

### “HOW CAN I GET ACCESS TO THE INTERNET WHEN I FIRST ARRIVE?”

When you arrive in halls of residence you will receive an information pack telling you how to connect to the network. All University Halls of Residence have internet access via a wired Ethernet network socket in every study bedroom as the primary internet connection. Our wireless network (eduroam) is also available as a secondary connection in many locations such as University administrative and teaching buildings, several Halls of Residence, the Student Union building and the Arts Centre.

To connect your computer to the network you will need:

- to have an Aberystwyth University e-mail account
- a computer with a network card
- a computer running Windows XP, Vista or 7, Apple Mac OS X 10.4 (Tiger) or above, Linux with 802.1x supplicant
- an RJ45 network cable (for wired connections) - these are available to buy on campus

More information on how to connect is available here: [www.aber.ac.uk/en/is/computers/stunet](http://www.aber.ac.uk/en/is/computers/stunet)

### E-MAIL

University staff will use e-mail as the main way of communicating with you. You will be expected to access your Aberystwyth University e-mail account regularly to ensure you keep up-to-date with important University communications. If you need to use special programs (for example, Chinese characters), then you may have to use your own computer with software that makes this possible.

## HELP AND SUPPORT

If you have problems connecting your computer to the Halls Network you can try our troubleshooting guides which are found at: [www.aber.ac.uk/en/is/computers/stunet](http://www.aber.ac.uk/en/is/computers/stunet)

If you are still experiencing problems please contact: Information Services, Aberystwyth University, Hugh Owen Library, Penglais, Aberystwyth, SY23 3DZ; Tel: 01970 622400; Fax: 01970 622404; e-mail: [is@aber.ac.uk](mailto:is@aber.ac.uk)

### “WHERE CAN I USE OR RENT A COMPUTER?”

International and Exchange students will be able to log onto computers in one of our many computer lounges. Some of these are accessible 24/7. This will be possible once you have an Aberystwyth account.

If you wish to borrow a laptop then you should know that Aberystwyth University staff and students can borrow equipment for up to 5 consecutive days free of charge. E-book readers are available for up to 14 days. You will need to have a current library account and Aber Card. Bookings can be made in advance, either in person or by phone or email. For more information please visit: [www.aber.ac.uk/en/is/computers/loans/#d.en.68415](http://www.aber.ac.uk/en/is/computers/loans/#d.en.68415)

## MOBILE PHONES AND TELEPHONES

Mobile phones are cheap to buy, but expensive to use, especially if you are calling another country.

### “CAN I USE MY MOBILE PHONE IN THE UK?”

You will need to ensure your mobile phone is GSM compatible to roam in the UK and you will find using a UK SIM card to be much cheaper. To use a UK SIM card you will probably need to ‘unlock’ your phone. You can then use a pay-as-you-go system to pay for the calls you make.

#### Contracts for mobiles

If you choose a contract the phone will be cheaper or free but make sure you check the monthly payment and call charges before signing. There is often a compulsory monthly charge. Most contracts commit you to a 24 month contract, but if you are willing to pay more you may be able to get a 12 or 18 month contract.

To buy a contract mobile phone you will need a “proof of enrolment” letter stating that you are a Aberystwyth University student and giving your term-time address. You can obtain this “proof of enrolment” letter from your Student Record: [studentrecord.aber.ac.uk/en/](http://studentrecord.aber.ac.uk/en/)

#### Pay-as-you-go mobiles

Pay-as-you-go is the no-contract, no credit check, no-commitment, no-monthly bills way of getting a mobile phone. The biggest advantage of this is that it is impossible to run up a huge phone bill as you can only make calls once you have already paid for them. However, you always pay a lot more to buy the initial phone and calls are generally more expensive than on contract mobile phones. You can buy this type of mobile phone from a lot of shops without needing a “proof of enrolment letter” from the University.

### “WHERE CAN I BUY A MOBILE PHONE?”

You can buy phones from supermarkets or mobile phone shops. There are many mobile phone operators which have shops in Aberystwyth and it is a good idea to shop around.

#### Telephone calls and internet from private accommodation

If you decide to live in private accommodation or University-owned student house you will probably find that your house has got a telephone socket. There are different phone companies to choose from for your telephone rental. You will find that they can also supply other services like cable television and internet.

## SKYPE

A cheap way of talking to friends and family overseas is by connecting your computer to the internet and using Skype. It allows you to call, video call or instant message someone else who has Skype for free. For further information about Skype see: [www.skype.com](http://www.skype.com)

## RECEIVING AND SENDING POST HOME

#### Sending Letters and Parcels

If you need to send a lightweight letter within the UK then you can simply affix a postage stamp and put it in any post box. If you are unsure of how much the postage should be then take your letter to a Post Office for them to weigh it and advise how much it will cost to send. Parcels should always be taken to a Post Office for weighing and dispatching. If you are sending a parcel overseas you will need to complete a customs form, available in the Post Office.

#### Delivery of parcels to your University accommodation

Letters and parcels from Royal Mail are delivered to the shared post box of your University residence. If a signature is required then packages may be delivered to your nearest postal depot or to the Residences reception.

## Academic support

You may find the pace and level of academic work is different than what you have been used to when you start your course, but support is available within the University to help you improve your study skills.

### “WHERE CAN I GO FOR HELP IF I'M WORRIED ABOUT MY ACADEMIC STUDIES?”

Your personal tutor should be your first point of contact. Your personal tutor will be a member of teaching staff within your Department who will be able to help you if you have any academic, personal or health concerns that are affecting your studies. They may also refer you to one of the other University advice staff if they feel you would benefit from speaking to a specialist.

### “WHERE CAN I ACCESS STUDY SKILLS SUPPORT?”

You can also access online advice about improving your study skills and revision techniques at:  
[www.aber.ac.uk/en/student-learning-support/](http://www.aber.ac.uk/en/student-learning-support/)

### “WHERE CAN I ACCESS ENGLISH SUPPORT?”

#### Student learning support and the International English Centre

Support is available for all students to help with academic writing, participation in seminars and lectures, presentation skills, and use of the University's network based academic resources. This includes semester-long courses in writing, communication and information skills (non-credit bearing); modules in academic writing and communications (credit bearing); and individual consultations on aspects of your writing.

The University also offers a variety of in-session English language and study skills courses specially designed to help international students succeed. If English is not your first language, you may find you need extra support understanding lectures, seminars and completing assignments. Please visit the following webpage for further information:

[www.aber.ac.uk/en/english/](http://www.aber.ac.uk/en/english/)

### What are the semester dates 2019-2020 at Aberystwyth University?

To check dates of term, please go to  
[www.aber.ac.uk/en/dates-of-term](http://www.aber.ac.uk/en/dates-of-term)

### “WILL ACADEMIC STUDY AT ABERYSTWYTH UNIVERSITY BE SIMILAR TO HOW IT IS IN MY COUNTRY?”

You are likely to find that there are some things that are similar but many things are going to be different. Many people find that studying at university is a new challenge, and they need to find different ways of working and studying effectively. As with all aspects of life in a new country and culture it is important to keep an open mind and to be flexible. If you are unsure about anything, ask your personal tutor, or someone in your Department.

Prepare for Success is an interactive web learning tool for international students who are getting ready to come to the UK for study in further or higher education. It contains learning resources which are activity-based to help you find out about different aspects of academic life in the UK and the skills needed for effective study. As well as preparing you for what to expect during your studies, the activities provide scope for English language improvement. If you would like to try this out please go to [www.prepareforsuccess.org.uk/](http://www.prepareforsuccess.org.uk/).

## “WHAT DIFFERENT TYPES OF CLASSES WILL I BE EXPECTED TO ATTEND?”

The medium in which a subject is taught varies between academic departments. This section provides a brief explanation of different types of classes.

### 1. Lecture

This is a large class (sometimes over 100 students), that lasts for forty five minutes. The lecturer will give a general overview of a topic in the form of a presentation and you will need to take notes. There is usually little opportunity to ask questions during lectures.

### 2. Seminar

This is a small class of around 15 students or fewer and typically requires a lot of student interaction. The lecturer will normally notify you of a topic for discussion in advance and sometimes a group of students will prepare a short presentation. The aim is for the students to analyse the topic through discussion and learn from other students. Reasoned argument is encouraged; don't be afraid to speak out, to challenge others, (including the lecturer) and contribute your ideas. Seminars are more common in arts and humanities.

### 3. Tutorial

This is a meeting between a tutor and an individual student or small group of students. It can include discussions and student presentations related to a particular topic if it is a small class. If it is a one-to-one meeting between you and your tutor, it will be an opportunity for you to discuss the progress of your work, and to tell the tutor about any problems you are having with a topic or with study methods.

### 4. Practical work

On many courses you will have practical workshops, e.g. in laboratories, intended to give you practical application of the theories studied. This is more common in the sciences.

### 5. Independent study

University study in the UK is aimed at encouraging a high level of independence and self-directed study. This means that you will be given guidance and help, but you will be expected to do a great amount of work on your own. This requires lots of self-motivation. You will be expected to learn key skills such as critical analysis and problem-solving and develop your own ideas.

## “HOW WILL I BE ASSESSED?”

Assessment methods vary from one school to another, but they include:

- written examination; normally essays rather than multiple choice questions

- course work, including written essays, reports and dissertations
- group work projects
- presentation to a seminar
- practical assessments

Undergraduate courses generally include a mixture of essays, projects, presentations and practical assessments.

## “WHAT DO THE GRADES 1ST, 2:1, 2:2 AND 3RD MEAN FOR ASSIGNMENTS?”

These are classes of degree. The highest grade is a 1st (or over 70%) and is roughly equivalent to an 'A' grade in other countries' Universities. This is followed by 2:1 (ranging between 60% and 69%), 2:2 (between 50% and 59%) and 3rd (40% - 49%). A 2:1 is considered a good grade and a 1st is usually very difficult to obtain.

## ORGANISING YOUR STUDIES

In the UK students often work independently, studying on their own for long periods of time. To get the greatest benefit from your course you need to organise your time carefully, as simply attending lectures will not be enough for you to pass your degree. At the start of your course you should know how much work you are expected to do and the important dates for completing it.

### PLAGIARISM

Plagiarism is using another person's writing, research, work or ideas as your own. Plagiarism is taken very seriously and may result in the loss of marks or even failing your course. To be safe, whenever you use a quotation from a book, or a website, or reproduce an author's ideas (even in your own words) you must note the original source. This process is known as "referencing". Check with your tutor about how you should reference your work. You must make sure you comply with Aberystwyth University, which has a different style of referencing to International Universities.

As an international student you must be particularly careful not to plagiarise. If you do not have perfect English it is easy and tempting to copy things from books and journals. This is acceptable, but you must reference the work and, before giving the work to a tutor or for assessment, take time to check that you have referenced all your sources. For more information see: [www.aber.ac.uk/en/is/library-services/infoskills/good-referencing/](http://www.aber.ac.uk/en/is/library-services/infoskills/good-referencing/)

## Living in Aberystwyth

**Aberystwyth is an excellent town in which to live and study. As the principal holiday resort and administrative centre of the west coast of Wales, it has a large choice of social and leisure activities available. The town is nestled between three hills and two beaches, and hosts some castle ruins, a steam railway, a pier and a harbour. The surrounding hills hold the visible remains of an Iron Age fort and also a monument to Wellington, and once climbed offer stunning views of Cardigan Bay. From Aberystwyth it is easy to explore the beautiful countryside of Wales and to go and visit England.**

To find out more about the town and information about festivals and events in Aberystwyth, visit the Tourist Information website: [www.discoverceredigion.co.uk/english/pages/default.aspx](http://www.discoverceredigion.co.uk/english/pages/default.aspx)

### “HOW WILL I FEEL WHEN I FIRST ARRIVE?”

When moving to a new town or city it can be difficult to adjust to the new way of life and adapt to a new culture. You are likely to experience a whole range of emotions. Some of these feelings will be surprising, confusing, frustrating and can make you feel anxious. This is known as “culture shock” and almost everyone who studies, lives and works abroad will experience this to some degree. Differences in climate, food, dress, behaviour and language can all contribute to feelings of loneliness, disorientation, irritability, increased vulnerability and reduced confidence. Culture shock can affect anyone and is a very normal reaction for international students as they adjust to a new environment.

These feelings will pass and you will settle into student life. However, if you do feel that you are unable to cope, ask for help from the International Office. We will pass you on to people who can help understand the problems you are facing.

### “HOW DO I GET AROUND ABERYSTWYTH?”

Aberystwyth is a small town so you will find that you will be able to walk or cycle to most places. University Campus and Halls of Residence are within a short walk of one another. There are regular buses between Aberystwyth and all three University campuses. Details of timetables and fares can be obtained from:

[www.aber.ac.uk/en/maps-travel/bus/](http://www.aber.ac.uk/en/maps-travel/bus/)

Taxis can be a good way to get around if you have lots to carry. They are quite expensive but less so if you share a taxi with your friends and split the cost. Please note this advice about taxis:

- Always take a taxi that is registered with Ceredigion County Council. The taxi driver should also have their licence with their photograph displayed in the taxi.
- Always find out the price of the journey before you get in the taxi. Always pay for the journey when you have reached your destination, never at the start of the journey.
- Always sit in the back of the taxi behind the driver.

### “WILL I BE ABLE TO DRIVE IN THE UK?”

If you hold a valid driving licence or international driving permit from your home country you may be able to drive a car for up to 12 months in the UK. After 12 months you must obtain a UK driving licence and pass a driving test to be able to continue to drive legally. Before you drive in the UK the car or motorbike must be registered, taxed, insured and MOT'd. An 'M.O.T.' is a test which must be carried out by a certified garage; they test that your car is safe to drive. If your car fails its MOT test then you need to pay for work to be done on your car so that it will pass the test. You must have insurance and tax on the vehicle, as driving in the UK without these is illegal. For more detailed information about driving in the UK see:

[www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Driving](http://www.ukcisa.org.uk/Information--Advice/Studying--living-in-the-UK/Driving)

### “CAN I TRAVEL TO EUROPE DURING THE UNIVERSITY VACATIONS?”

If you want to travel to certain countries in the European Economic Area you may need to apply for a Schengen visa. Please make sure that you start planning for this visa at least two months before your holidays, as the application process can take a long time. For more information about Schengen visas please refer to:

[www.aber.ac.uk/en/international/visa-immigration-compliance/visas-support-advice/schengen-visa/](http://www.aber.ac.uk/en/international/visa-immigration-compliance/visas-support-advice/schengen-visa/)

## Social Life

Life in Aberystwyth is not all about work. You need time to make friends and to develop social networks. Aberystwyth is well known for having a wide range of popular clubs and societies.

### THE STUDENTS' UNION

The Union is run by students, for students and is dedicated to the social and welfare needs of all students on campus. The Union provides a huge range of services, from the 100+ clubs and societies to the dedicated Student Advice & Representation Centre, from student media and volunteering to nightclubs, bars and shops. You can join a society or even make your own! Get involved in Volunteering with lots of great projects on offer; this will certainly improve your employability factor! You can also get confidential impartial advice and support, from welfare to representation.

The Union provides a fun and exciting alternative for students outside of their academic studies. It is a great place to hang out during the day; your own 'living room on campus'. It is a place to meet friends and experience new opportunities. The Lounge in the Students' Union is a fantastic place to meet friends and relax and is very popular with International Students.

### STUDENT SOCIETIES

Within the Union, there are over 100 cultural, social and political societies run by students for students. They provide the opportunity to try something new, almost every week. They offer a huge range of activities, from going on trips and holidays, making music, volunteering your time and energy for a worthy charity, to celebrating a national day or religious event and more. Becoming involved in a society is an excellent way to make friends, discover new interests and add to your CV.

During the first week of term there will be a Freshers Fair in the Students' Union, which is an ideal opportunity to find out more about the societies and join those which interest you. But if you miss this don't worry, you can join a society at any time throughout the year, see: [www.abersu.co.uk/teamaber/societies/](http://www.abersu.co.uk/teamaber/societies/)

### THE GLOBAL STUDENT SOCIETY

The Global Students Society is a new society that aims to bring international and home students together to create a culturally diverse community of young people from around the world. Their emphasis is to make students

welcome and help them to settle into Aberystwyth University life. The Global Student Society organises a wide range of social and fundraising events throughout the academic year. You can follow them on [www.facebook.com/groups/932054753660547/](https://www.facebook.com/groups/932054753660547/).

### ERASMUS AND INTERNATIONAL EXCHANGE SOCIETY

The Erasmus Society is for exchange students, returning or potential outgoing Aberystwyth students, or just lovers of Europe. The society is also open to all international students. If you join the Erasmus society you will be introduced to people from all over Europe and the world. You will be able to meet people from your home country so you do not feel lonely and you will be able to practise your Welsh and English language skills with Aberystwyth students. This society will be one of the largest in the University and it will allow students to socialise on the frequent socials and weekend trips. If you cannot wait until September to join, please visit: [www.facebook.com/AberErasmusSociety](https://www.facebook.com/AberErasmusSociety)

### INTERNATIONAL SOCIETIES

There are many International Societies which reflect the multicultural environment of Aberystwyth University such as the Erasmus Society. These societies are ideal for combatting culture shock, as wherever in the world you have travelled from, you are sure to find other students who share a common bond. Similarly, there are lots of religious societies that provide new students with the chance to worship and express their religious beliefs. If there is a particular culture or country you feel should be represented, you can always start one yourself by getting in touch with the Activities Officer:

[www.abersu.co.uk/teamaber/societies/start-up/](http://www.abersu.co.uk/teamaber/societies/start-up/)

### DEPARTMENTAL SOCIETIES

Most courses at University have a corresponding society. Whether you study Business or Geography, History or Biology, you will find a society in which you can meet fellow course-mates. Joining a course society gives you the opportunity to make new friends who are interested in the same area of study as you, and also the opportunity to share ideas and provide helpful advice. Whatever course you study, you can join any course society, so if you have an interest outside your degree, joining one can allow you to explore new subjects.

## Sports and sports clubs

**International students are free to join a sporting club or society. Sport brings together students with shared interests. It's a great way to meet new people, participate in activities and gain new skills outside of your academic environment. There is no limit to how many clubs you can join and you can also start one of your own!**

There are currently just over 50 different sports clubs here at Aberystwyth, from sports you will be familiar with like football and rugby, to dance clubs, martial arts and water sports. Many of our teams compete on a national level with BUCS, which is the British Universities and College Sports Association. You may view a list of sport clubs here: [www.abersu.co.uk/teamaber/sports/clublist](http://www.abersu.co.uk/teamaber/sports/clublist)

As part of our health and wellbeing drive, Aberystwyth University is delighted to offer all students staying in University accommodation use all of the Sports Centre activities for free - this includes the gym, free weights rooms, group exercise classes, spinning, BoxRox climbing wall plus the pool and saunarium. From the start of term, once you have activated your card at the library, your membership will be current and active. Please discuss with your academic department/personal tutor, to ensure that any employment that you may wish to take up does not affect your studies.

If you have any doubts about how many hours or what kind of work you are allowed to do, please contact the International Student Adviser on:  
[immigrationadvice@aber.ac.uk](mailto:immigrationadvice@aber.ac.uk).

### “WHAT SORT OF WORK CAN I DO ON A TIER 4 VISA?”

You can do most kinds of work without needing to seek approval from the UKVI. The work you do must not fill a full-time permanent vacancy (other than on a recognised Foundation Programme), and you must not be:

## CHANGES TO THE IMMIGRATION RULES ON WORKING IN THE UK

The advice in this chapter was up-to-date when we published it in Summer 2018. However, the UK Government often change the immigration rules about working in the UK, so you **MUST** check the following websites for the most up-to-date information:

[www.gov.uk/government/publications/guidance-on-application-for-uk-visa-as-tier-4-student](http://www.gov.uk/government/publications/guidance-on-application-for-uk-visa-as-tier-4-student)

## “WHAT TYPES OF WORK WILL I BE ABLE TO GET AND HOW MUCH DO THEY PAY?”

It is important to be realistic about the job opportunities available. In the UK, generally students obtain part-time relatively low paid casual work.

The university offers employment to students through the AberWorks scheme. AberWorks aims to help students gain practical work experience within the University. Its key aims are to increase your skills and self-awareness to develop your employability.

AberWorks includes opportunities for students who wish to earn while they learn. The opportunities available range from Catering, Administrative work, Ambassador roles and more. During term-time if work is available, you may choose to work up to 15 hours per week, with more hours possible during vacation periods. Further information is available from [www.aber.ac.uk/en/hr/aberworks/](http://www.aber.ac.uk/en/hr/aberworks/).

## “CAN I VOLUNTEER?”

Voluntary work is unpaid work for charities and in the local community. It gives students a great opportunity to develop new skills, meet new people and be involved in something worthwhile.

You can volunteer with the Students' Union. They have a volunteer office run by a team of officers and students who are here to make your time at university rewarding and beneficial for your future development and skills enhancement. We receive regular requests from the local community looking for student volunteers and we can help you find the opportunities you are looking for. Volunteering is a great way to get more out of your student experience as you can meet the local community.

For more information, please visit the Students' Union 'Get Involved and Volunteer' webpages here: [www.abersu.co.uk/teamaber/volunteering/](http://www.abersu.co.uk/teamaber/volunteering/).

## Aberystwyth

Aberystwyth is a beautiful town to live in and to be a student, and it is a popular UK holiday destination. It is a cosmopolitan town in which we think you will feel safe and secure in. We have a superb history of offering one of the best student experiences in the country and we are confident that you will feel welcomed and like you are part of our diverse and friendly community. Aberystwyth offers you some of the best scenery and outdoor activities in Britain as well as the vibrant lifestyle of a busy market town. Many students see it as the perfect choice for a place to study and we are sure you will also enjoy your time here in Aberystwyth.

### THE HISTORY OF ABERYSTWYTH

The long-established history of Aberystwyth is clearly evident to all visitors, whether it is the Iron Age hill fort overlooking the town, the ruins of a castle destroyed in the English Civil War or the renaissance architecture of several popular pubs. The area was inhabited by humans as far back as the Mesolithic period when people would have used flint tools rather than laptops and books, and the nearby hill of Pen Dinas is topped by a large Iron Age hillfort. The recorded history of Aberystwyth dates from around 1109 when a Norman timber castle was constructed just over a mile outside today's town centre. This was replaced in 1277 by a stone-built castle on a different site, whose remains may still be seen today on what is now known as Castle Hill, next to Old College on the seafront. In the same year a charter was granted to the settlement adjacent to the new castle, making it a free borough with a guild of merchants, a market and fairs, and so the town of Aberystwyth was born. When you are in the town centre you are able to see well preserved buildings that are 100s of years old. Today the name Aberystwyth is associated with the meaning 'Mouth of the River Ystwyth'.

There is plenty of wildlife to be seen in Aberystwyth, such as bottlenose dolphins, seals, red kites and bats!

## PLACES TO VISIT IN ABERYSTWYTH

Aberystwyth Arts Centre is conveniently situated on the University campus. It hosts a theatre, concert hall, studio and cinema, as well as four gallery spaces, cafés, bars, and shops.

**Aberystwyth Castle** is one of the most iconic buildings in Aberystwyth and it can be easily found at the high point of the town centre dividing North Beach and South Beach. The castle dates back to 1277, although it now lies in ruins since it was razed by Parliamentarians in 1649. It now serves as an attractive place to sit and relax.

Aberystwyth Cliff Railway is a funicular, or cliff railway, which was opened in 1896 and it is part of Constitution Hill. When you complete your journey on the 778 feet (237 m) track you can have a meal in the restaurant at the top and you can enjoy the spectacular view. You may also be able to play ten pin bowling or you may look at the Victorian Camera obscura.

Ceredigion Museum is a welcoming museum packed with exhibits that celebrate the art, history and community of Ceredigion County. The fascinating collection is housed in a beautiful Edwardian theatre.

National Library of Wales offers access to books, maps, manuscripts, archives, pictures, photographs and electronic resources relating to Wales. As a copyright depository, it is entitled to receive a copy of every published work from the United Kingdom and Ireland. Visitors can attend one of the many exhibitions held in the library or they can relax in one of the cafés.

Parc Penglais is situated next to Aberystwyth University. The park is a combination of woodland and a disused quarry. Despite its small size there is a wide range of wildlife.

**The Promenade** is a pleasant, level, one and a half mile walk, stretching from Constitution Hill in the north to the harbour and the attractive new marina development in the south.

Vale of Rheidol Railway was opened in 1902 to carry lead ore from the mines. It now carries tourists to the beauty spot of Devil's Bridge. It generally operates between Easter and the end of October with extra services during February Half Term and Santa Specials at Christmas.

## Wales and the UK

**You should take advantage of the many opportunities you have at weekends and during the holidays to explore the diversity of the British Isles.**

### THE UNITED KINGDOM

The United Kingdom is a country rich in tradition, history and culture. At the same time it is a modern and cosmopolitan nation and a premiere world destination that offers superb social and cultural amenities.

International students are often surprised by how diverse the UK is considering its size. There are many world-famous cities which offer first class social and cultural programmes and there are stunning natural landscapes. The country is home to some of the world's greatest historical figures, not to mention writers, poets and literary greats. The historical tradition is one of the richest in Europe, and the UK offers famous ancient towns, castles, ruins and important sites, such as the ancient monument of Stonehenge or Stratford upon Avon, the birthplace of Shakespeare.

Geographically, the UK is divided into four separate countries: Wales, England, Scotland and Northern Ireland. These four regions are semi-autonomous and Scotland, Wales and Northern Ireland all have their own National Assemblies, although central power is still maintained in Westminster. The capital of Wales is Cardiff. Given the UK's mountainous and varied landscape, the changeability of the weather is one of the key defining features of the British climate. It is generally warmer in the south than in the north, but coastal towns such as Aberystwyth tend to stay at a more consistent, mild temperature all year.

### CITIES TO VISIT IN THE UK

The UK is bursting with famous cities. Historic cities such as Bath and Chester have magnificent ruins and make for pleasant trips. Manchester, Brighton, Bristol and Newcastle to name but a few are cosmopolitan and modern cities which have a world famous nightlife as well as thriving cultural scenes. Alternatively you might like to visit Liverpool, the home town of the Beatles and the European City of Culture 2008. The capital cities of London and Edinburgh are not to be missed on a visit to the UK, and if you visit it is recommended that you stay for several days.

## WALES

Living in Wales will mean living in a country with a long history and a proud cultural heritage, which is home to one of the oldest living languages in Europe. About 3 million people live in Wales. The north of Wales is generally more rural and mountainous and the south is relatively more urban and industrialised. Mid Wales offers you the best combination of a beautiful environment combined with easy access to urban areas.

The landscape varies from the rolling hills of the south to the beautiful Pembrokeshire coastline to the west, the only marine nature reserve in Britain. If you hop on a train you can visit the north and the stunning mountains of Snowdonia. The landscape is dotted with historical towns and cities, from cosmopolitan Cardiff and Swansea to the Cathedral city of St Davids and the medieval town of Caernarfon.

## WELSH CULTURE

Wales is famous for the Celtic Druids and many see it as home to the legendary King Arthur and the birth-place of Merlin. In more recent times, political devolution has seen Wales consolidate its international presence on an economic, political and cultural level. Wales has created famous bands such as Feeder, Catatonia, Stereophonics and Manic Street Preachers. Many famous people can lay claim to Welsh roots such as singers Tom Jones, Shirley Bassey and Charlotte Church and actors Sir Anthony Hopkins, Michael Sheen and Catherine Zeta Jones.

## WELSH SPORT

Rugby is the most popular sport in Wales and this is celebrated in Aberystwyth with annual rugby tournaments that attract thousands of people. The surrounding Welsh countryside lends itself to a wide range of activities, from hiking and rock climbing, to surfing and kayaking. These can be done in National Parks that are only a short journey from Aberystwyth.

## WELSH PHRASES

- |                  |               |
|------------------|---------------|
| • Good morning   | Bore da       |

| • Cheers!        | Iechyd da!    |
| • Goodbye!       | Hwyl fawr!    |

## THE WELSH LANGUAGE

The Welsh language is over 2000 years old, and today it is spoken by just over 20% of the Welsh population. The country is officially bilingual, and all road signs and official business are conducted in both Welsh and English. There are also Welsh language books, newspapers, radio and television stations. Aberystwyth and the County of Ceredigion is a Welsh-speaking heartland, so you are likely to hear Welsh spoken in the streets and shops. English is spoken in all parts of Wales, so do not worry about communication.
